

WGANC AWARD

Each year CCWGA recognizes and awards tournament winners in several categories of play via our Point Series Tournament, Eclectic Tournament, etc. In addition, WGANC provides our membership with three medallions for our players. (WGANC gives one medallion for every 30 members to each WGANC club). It is up to our group to decide how these medallions are distributed. The format that CCWGA has decided on for these awards is as follows:

Designate six days of play throughout the year as WGANC Award Day. In 2012, as in the past, these days are either on the same day as the points series tournament or eclectic. In order to be eligible to win this award, a player must play **three** of the six designated days. The awards are given to the three lowest net scores among players that have played at least three WGANC Days. The awards are presented at our annual holiday luncheon.

The WGANC AWARD DAYS FOR 2012 ARE:

MARCH 6

APRIL 10
